

Now here's something "New" to get excited about!

F3, Fashion Forms & Fixtures has teamed up with Rotoluxe to create these ultra-modern illuminated merchandise podiums.

Rotoluxe Podiums:

- Come in ten great shapes and sizes
- Are priced to sell
- Available both with and without light sources
- Come in six standard colors, custom colors available
- Capture attention and show off highlighted merchandise
- Attract consumer's attention
- Are light weight but strong enough to hold heavier products and mannequins

Our podiums are made right here in the USA of 100% recycled materials and use the most energy efficient lighting sources so you can sell these "green sustainable" American made products with confidence.
